Description of Work

London in the Pandemic Era Project: Socio-Economic Analysis

- **Update current analysis** on COVID-19 and mobility with latest (February) data and accompanying visualisations
- Addition of Auckland and Sydney to analysis
- **Socio-economic analysis:** combine income and ethnicity data with COVID-19 and mobility data to investigate the socio-economic implications of mobility reductions in the city of London
- Several new data visualisations to showcase the results of the socio-economic analysis

Work	Price	Total
London in the Pandemic Era: Socio-Economic Analysis	Subtotal	£6,000.00
Amount Due		£6,000.00
